Application instructions:

We encourage all those interested in pursuing post-secondary education to apply for one of the scholarships, even if their area of study does not completely align with the description outlined above. To apply, submit the application and supporting documentation (listed in the application guidelines), to

our Baffinland offices in Arctic Bay, Clyde River, Sanirajak, Igloolik, and Pond Inlet, to our Northern Headquarters in Iqaluit, or by email at contact@baffinland.com. Application forms are available on Baffinland's [website](#) and in our Baffinland offices and Northern Headquarters. For more information, [contact us](#).

We look forward to receiving your application!
